

PHOTOGRAPHY POLICY

Photographers and or photo parties must coordinate their visit by phone or by email.

Regular Business hours rate is \$25 per 1hr session.

After hours rate is \$75 per session. Each additional hour after the first is \$25.

Please Note: These rates do not apply for hobbyist photographers who simply wish to take photos of the lavender and surroundings.

Photography Rules & Regulations:

- 1) All professional photographers will need to show proof of liability insurance when booking a private photo shoot.
- 2) Photographers must be respectful of other photographers and their clients when at the farm.
- 3) You are responsible for all personal belongings. Lavender fields will not be responsible for any loss.
- 4) Be aware that farm staff, visitors, or other photographers may be anywhere on the farm at any time. Please be considerate and do not ask them to move or take their photos without consent.
- 5) Do not move any tables, chairs or other equipment without consulting with the farm first. If you are bringing props for the shoot, please get them approved by the staff ahead of time.
- 6) Please do not remove or disturb plant labels or any signage located around the farm.
- 7) Do not litter! Trash cans are located throughout the farm.
- 8) Do not pick any plants. You will be responsible to any damage to the plant life.

All images from the farm are for personal use only.

When posting images on social media, we ask that you mention/tag the farm [@lavenderfieldsmiltnde](#).

We also request that you provide us with a few digital images that we can use for our website and social media sites. We will give credit to the photographer, so please upload images with your logo/water mark.

For any additional questions, or to book your photography session, please contact the farm directly.
